Quintin,

I'll defer to Jason, but we were just going to get you a copy of Rule Package 5 by May 22 and 23. We presumed you may want to review it with our draft response to comments. We could also still meet on the 23 and go over the changes at that time.

Jason is working on incorporating some final comments into rule package 5. Our plan is to submit the green sheet to the Natural Resources Board by June 7. We would like to share a draft with you early next week ( May 22 or 23) and then go over our response to your comments and share with you some of the comments from outside groups on antibacksliding. What is your availability on Tuesday May 30 or Wed. May 31 ?

Robin
